I. Read the Administration Report together with the statement of the Hassan District Board for the year 1905-06.

Resolution.—Resolved that the Report be passed and sent up to Government.

II. Read General and Revenue Secretary's docket No. 1400—L. B. (2-05)-5, dated the 15th August 1906, observing that Resolution No. V of the District Board meeting dated 12th May 1906, granting to toddy contractor Alasingrachar and Mail Tonga contractor Baba Sab, a license each, at half the existing rates for the passage of their carts through the toll gates, on the Hassan-Arsikere road, is apparently illegal as the District Board have no power to grant exemption to the toddy carts in the manner resolved, though under para 64 of the Local Board Rules, they can compound with any person on payment of a lumpsum half yearly, or, yearly, in respect of all carts and animals, etc., possessed by him, but not in respect of a fixed number of carts, etc., at half rates, and requesting that the same be corrected or that explanation may be furnished as to the necessity for a departure from the rules.

Resolution.—Resolved that it be submitted to Government that Resolution V dated 12th May 1906, was passed in the terms therein expressed to provide against fraud in the way of carts, etc., of other owners being passed through the toll-gate as those of an owner with whom the Board may have compound for a fixed amount, which would be difficult of detection, if the number of carts covered by the compounding fee be not limited.

III. Read Kanarese No. 437, dated 9th August 1906, from Messrs. Bajjanna and Mayigondadeva Mudaliar, Government contractors of Bonded Depot, requesting that needful orders may be issued to the authorities to allow free of charge carts carrying casks containing Government arrack.

Resolution.—Resolved that the contractors Messrs. Bajjanna and Mayigondadeva Mudaliar be informed that their application under clause (*e*) of para 3, of the Hassan District Notification dated 11th April 1906, concerning the Dudda toll-gate, cannot be considered in the absence of a certificate from the Head of the Excise Department.

IV. Read the following for the information of the District Board :—

(1) Government Proceedings No. 1882-3—L. B. (50-06)-2, dated 30th August 1906, noting with satisfaction that eight out of the ten well works undertaken in ten different villages have been completed at a cost of Rs. 775-3-4 out of the grant of Rs. 1,000 made from the Local Funds General.

(337-05)-5, dated 8th September 1906, stating that absence of the Hospital Assistant from Arsikere on deputation to Gandasi, as suggested by the Arsikere Taluk Board, is undesirable and that the establishment of a Vaidyasala there is impracticable at present.

(4) Senior Surgeon and Sanitary Commissioner's docket No. 2021, dated 15th September 1906, intimating that one Venkataramier, a qualified Sanitary Inspector, is available for duty in the Arsikere Taluk and the reply of the President thereon.
